Dear Sir/Madam

**A6075 OLLERTON ROAD, EDWINSTOWE - 30MPH SPEED LIMIT ORDER (TRO 3290) –
PUBLIC ADVERT**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council is proposing to introduce a new 30mph speed limit on Ollerton Road, Edwinstowe. The lower speed limit, which would replace the existing 50mph speed limit, is being introduced as it would be more in keeping with the road type and location once the new housing development is complete.

The proposals will be advertised in the Nottingham Post on Monday 14th January 2019 with notices displayed on site. A plan showing the extents of the proposed speed limit is attached (Drawing Number H/JE/2931/001) along with a copy of the site notice.

Before proceeding further, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time.

Any observations on these proposals should reach me in writing via letter or email by **Monday 11th February 2019**.

Yours faithfully
