

St Mary's Edwinstowe Needs You

According to legend, Robin Hood married Maid Marion here and gave generously to others.

We at St Mary's, encourage everyone to live generously too. We have an urgent need for generosity towards our Restoration Fund as we need to raise in excess of **£10,000** but we recognise that giving to others with time and skills is equally valuable and important.

Just a few ideas:

Keep in touch to cheer someone up by phone, email, letter

Buy something extra and donate to a food bank

Ask if a neighbour needs some shopping

Offer to walk a dog

Buy some flowers or fruit for someone

Say hello & smile to everyone you see

However...if you can we need your financial support

- Donations to **'Buy an Acorn'** to help raise the next generation of magnificent Sherwood Oaks and support the church www.tinyurl.com/y25lclet *if you wish to Gift Aid*

- **Support** *Brian Hawkins & Michael Dickinson* as they walk **50 miles of the Robin Hood Way**, starting on The 6th December, at our crowdfunding page:
